

Medical Schools of the Future - Towards Purposeful Innovation

7th - 9th of October 2021 | VIRTUAL CONFERENCE

Abstract submission is now open for AMSE2021

We are excited to announce that Virtual AMSE Conference “Medical Schools of the Future – Towards Purposeful Innovation” AMSE2021 will take place from 7–9 October, 2021.

Abstract submission is now open for you to present your findings alongside other academic educators, researchers, clinicians, experts and opinion leaders to an international audience. AMSE 2021 offers you an unrivalled opportunity to raise your profile within Europe's community. What's more, we will be introducing enhanced networking features, allowing you to connect and collaborate with fellow academic educators, researchers and physicians from across the globe.

We invite you to present abstracts for one of three Short Communication sessions on the following topics.

Education

- *Teaching and Learning*
- *Student selection*
- *Assessment*
- *Innovations and the Future of Medical Education*

Research

- *Research at Medical Schools*
- *Scholarship*
- *Scientific publications and publishing*
- *The early involvement of student into scientific networking or Data protection and bioethical issues in the research*

Patientcentred care

- *Patient Safety*
- *Patient Involvement / Autonomy*
- *The patient of the future*
- *Efficient and Innovative Medical Education Depends on the Teamwork: Student/Educator/Physician/Patient/Community/Society*

Submit your abstract or clinical case before the deadline and be a part of Europe's largest Medical Education meeting!

Medical Schools of the Future - Towards Purposeful Innovation

7th - 9th of October 2021 | VIRTUAL CONFERENCE

Abstract Submission Deadline: 5 September 2021 (23:59 CET)

Submit your abstract: <http://creativa.lt/amseabstracts>

AMSE2021 website:<http://amse2021.lt/>

IMPORTANT: AMSE 2021 will only accept abstracts not previously presented to or under consideration by another European or International forum that would conflict with presentation at AMSE 2021, but will accept abstracts that have been presented at a national meeting, however may choose not to publish it if it has already been published. Please ensure you declare all relevant details when you submit your abstract.

IMPORTANT DATES

Abstract submission opening 15 July 2021

Abstract submission deadline 5 September 2021

Notification to submitters 15 September 2021

Abstracts received after the deadline will not be accepted!

Do not miss the opportunity to participate and share your knowledge by submitting your abstract now! This is the perfect moment to share your work with an influential and global audience! We invite you to present abstracts for one of three Short Communication sessions on the following topics:

Education

- Teaching and Learning
- Student selection
- Assessment
- Innovations and the Future of Medical Education

Research

- Research at Medical Schools
- Scholarship
- Scientific publications and publishing
- The early involvement of student into scientific networking or Data protection and bioethical issues in the research

Patient centred care

- Patient Safety
- Patient Involvement / Autonomy
- The patient of the future
- Efficient and Innovative Medical Education Depends on the Teamwork: Student/Educator/Physician/Patient/Community/Society

Medical Schools of the Future - Towards Purposeful Innovation

7th - 9th of October 2021 | VIRTUAL CONFERENCE

The submitted abstract should be structured in the following way: Aim, Methods used or experience to share, Conclusion.

Conflict of interest: It is the intent of AMSE 2021 to provide high-quality sessions focused on educational content that is free from commercial influence or bias. Thus, the submitting author of an abstract is requested to declare any potential conflicts of interest for all authors during abstract submission.

For standardization, the acceptable length of the abstract is of maximum 2000 characters. This includes non-visible characters, such as spaces and line breaks.

Presentation:

- Abstracts can be accepted either as oral communication or e-poster. Top abstract authors will have the amazing opportunity to be selected for an oral presentation in three Short Communication sessions.
- If your abstract is accepted as a e-poster, you will be requested to register for the conference. Details on e-poster format and full presentation guidelines will be included in the notification letter and posted on the conference website.
